

JITAM

Events Production Technology

JITAN

JITAN is an experienced Event Production Company operates in the Middle East, North Africa and GCC countries through its offices in Abu Dhabi and Ramallah.

It was founded in 1996, as A. Jitan & Sons Trading Company, known as **JITAN**.

It is renowned for being an unparalleled installation supplier coupled with creative events production capabilities.

As such, **JITAN** has helped produce hundreds of successful events since its start.

JITAN is proud to provide numerous events production solutions using high-end production technology.

Bashar Al Jitan
Managing Director

*We have the ability
to make anything happen
big or small*
